A photograph showing a group of approximately ten people, mostly men, gathered in a field. They are engaged in a tree planting activity. In the foreground, a man in a blue shirt and light-colored pants is bending over, holding a small tree sapling. Behind him, several other individuals are either assisting with the planting or observing. The setting appears to be a rural or agricultural area with some greenery and a clear sky. The overall atmosphere suggests a community event or a formal inauguration.

## Freedom for Sumi Borah after over 8 months

**HT Correspondent**

**DIBRUGARH, May 22:** Sumi Borah, one of the prime accused in the multi-crore online trading scam, was released from Dibrugarh Central Jail on Thursday evening after securing bail in all cases registered against her.

A popular actor and choreographer, Borah was arrested by the Special Task Force (STF) of Assam Police on September 12, 2024.

She spent over eight months in judicial custody before completing bail formalities and walking out of the high-security prison around 7:10 pm.

Although she had received bail in the Dibrugarh Police Station case (Case No. 352/24) and Duliajan Police Station case (Case No. 198/24) in April, she remained in custody due to the pending Barbarua Police Station case (Case No. 85/24). On May 21, the Gauhati High Court granted her bail in the Barbarua case, clearing the way for her release.

Dressed in all black, Borah avoided media queries as she exited the prison.

Borah, along with 22-year-old Bishal Phukan—identified as the mastermind—and her husband

Tarkik Borah, is accused of orchestrating the fraudulent scheme that duped hundreds of investors across Assam.

The high-profile case, reportedly Assam's largest financial fraud to date, is currently under investigation by the Central Bureau of Investigation (CBI).

It may be noted that Phukan and Tarkik Borah were granted bail on May 3 after spending eight months in jail. Phukan was released from

Dibrugarh Central Jail, while Tarkik Borah was released from Guwahati Central Jail the same day.

The scam came to light following Bishal Phukan's arrest on September 3, 2024, which exposed a sophisticated operation promising investors a 100% return within 60 days. Instead, the accused allegedly funnelled the funds into shell companies and indulged in extravagant spending on luxury cars, five-star hotels, and designer jewellery.

Investigators allege that Sumi Borah and her husband played a crucial role in luring investors, using their public image to build trust. Social media evidence revealed a lavish lifestyle funded by the scam's proceeds.

raft of punitive measures against Pakistan including suspension of the Indus Waters Treaty.

The measures were announced a day after the Pulwama terror attack that killed 26 civilians.

India carried out precision strikes on nine terror infrastructures early on May 7 in response to the Pulwama terror attack.

Following the Indian action, Pakistan attempted to attack Indian military bases on May 8, 9 and 10.

The Pakistani attempts were strongly responded to by the Indian side by inflicting heavy damages to a number of key Pakistani military installations including air bases, air defence systems, command and control centres and radar sites.

Foreign Secretary Subrahmanyam Jaishankar on May 10 announced that India and Pakistan reached an understanding to stop all firings and military actions on land, air and sea, with immediate effect. (PTI)

Jaiswal added: "I would like to underline that any bilateral discussion on Jammu & Kashmir will only be on the vacation of illegally occupied Indian territory by Pakistan." Asked about the Indus Wa-

ters Treaty, it will remain in abeyance till Islamabad stops supporting cross-border terrorism.

"It will remain in abeyance until Pakistan credibly and irrevocably abjures its support for cross-border terrorism. As our prime minister has said, 'Water and blood cannot flow together', he added.

## 'Sindo' runs in my veins; playing with blood of Indians will cost Pakistan dearly: PM Modi

**BIKANER (RAJ.), May 22:** Prime Minister Narendra Modi on Thursday asserted that the country's enemies have learnt what happens when 'sindo' becomes gunpowder, and lauded India's armed forces for creating such a trap that Pakistan was forced to go down on its knees.

In his first public address in Rajasthan after Operation Sindo that was launched in the aftermath of the Pulwama terror attack, the prime minister slammed Pakistan, and said in response to the attack on April 22, "we destroyed nine biggest terror hideouts in 22 minutes".

"The world and the enemies of the country have seen what happens when 'sindo' turns into 'baroof' (gunpowder)," he said at the public meeting in Palana in Bikaner, which shares border with Pakistan.

"Ab to Modi ki nase mein laju nahi garam sindoor beh raha hai (Not blood but sindoor runs in Modi's veins)," he said, adding, Pakistan will have to pay a heavy price for every terrorist attack.

He said India's response to the terror attack was not a game of vengeance but a "new form of justice" and there will be no trade or talk with Pakistan, there will be talk only about Pakistan-occupied Kashmir.

In a stern message to Pakistan, he said India is not going to be scared by nuclear threats and if there is a terrorist attack on the country then it will give a befitting

reply. "If there is a terrorist attack on India, it will get a befitting reply. The time and methods will also be decided by our army and the conditions will also be ours. India is not going to be scared by the threat of atom bomb. Thirdly, we will not see the perpetrators of terror and the government patronising the terrorists separately. We will consider them as one," he said, adding these are three "sutras" from Operation Sindo.

He said the game of Pakistan of state and non-state actors will not work anymore. Lauding the armed forces for carrying out Operation Sindo, he said "Our government gave free hand to all three armed forces. Together they created such a trap that Pakistan was forced to go down on its knees". (CONT'D. ON PAGE-2)
